PROFILE

I am a web developer with 3+ years of
experience and an Honors degree in
information technology. I am experienced in
the stages of the development life-cycle of
dynamic web projects using Javascript, CSS,
MySQL, .net, PHP and html.

SOFT SKILLS

Coding Languages
Teamwork.
Communication.
Yes attitude.
Service-focused.
Strong decision making .

HOW I SHARPEN MY SKILLS

Codility
I love doing algorithm challenges on codility and
project UELA, even though this is just a recently
found hobby, it has become one of my favorite
things to do.

Udemy
From time to time I take a udemy course to
learn a new skill or to gain in-depth knowledge
of a language I already know.
